DASHBOARD

This School Management System (SMS) dashboard contains a student, unit, courses and attendance record button. Each of the above performs various activities. When you click on any of the above button, its redirect to their respective dashboard where you can find the activities which they perform.

Click on Student to view and add students.

Click on units to view and add units.

Click on course to view and add new courses.

Click on attendance record to view and add names of students that are present for a particular class.

STUDENTS

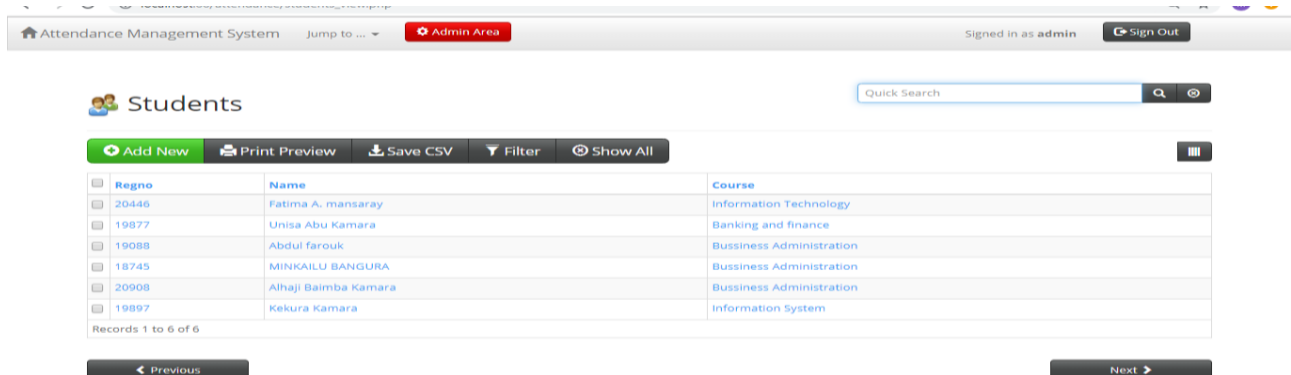

You get this sub-dashboard when you click on the student button in the afro mention dashboard. In this section, we have all the details pertaining students. You can add new students, print selected preview, save CSV and filter student information. We have the registration number, name and courses corresponding to each student. There is an area where you can quick search and get information on any student.

To add students:

Click on the student button

Click Add new

Add the student information and click save

The screenshot shows the 'Attendance Management System' interface. At the top, there's a navigation bar with 'Attendance Management System', a 'jump to ...' dropdown, a red 'Admin Area' button, and a 'Signed in as admin' status with a 'Sign Out' button. Below this is the 'Students' section, which includes a 'Quick Search' bar and a toolbar with buttons for 'Add New', 'Print Preview', 'Save CSV', 'Filter', and 'Show All'. The main content is a table with columns 'Regno', 'Name', and 'Course'. The table contains 6 records. At the bottom of the table, it says 'Records 1 to 6 of 6'. Navigation buttons for 'Previous' and 'Next' are located at the bottom of the table area.

Regno	Name	Course
